ORDER RESPONDING TO HERRICK FEINSTEIN LETTER

McMahon, J.:

The court has received a letter, dated May 13, 2013, from the law firm of Herrick Feinstein, which I am treating as a motion for leave to amend the court's May 9, 2013 decision and order approving the settlement of these actions and granting plaintiffs' counsels' joint motion for an award of attorneys' fees. Herrick appeared in opposition to the fee award motion, purporting to represent two of the Beacon Funds and two of the Andover Funds, which were named as Nominal Defendants in the Nassau County Derivative Actions (which were among the settling actions) but were not otherwise parties to any of the lawsuits being settled. Several investors in those Funds submitted affidavits to the court questioning Herrick's status in the litigation, as did Lead/Liaison Counsel during oral argument of the fee motion. In the May 9 decision, I concluded that Herrick was essentially a stranger to the litigation and lacked standing to object to the fee award.

Herrick Feinstein does not ask for reconsideration of the fee award. Instead, it asks that I remove the portion of my decision that discusses the objection it filed (other, I assume, than to note that I rejected it). Apparently, the firm *was* retained by certain Beacon and Andover Funds in connection with other matters. Furthermore, Herrick was asked by Private Plaintiffs' Counsel sign the Stipulation of Settlement in the matters before it, and did so. I confess (not that this will come as a great surprise to anyone) that I did not review the Stipulation of Settlement while writing the May 9 opinion.

In light of Herrick's having signed the Stipulation of Settlement, I conclude that Herrick is not really a "stranger" to the litigation before me. I will, therefore, amend the opinion. A revised opinion (which, incidentally, corrects a few typographical errors) is deemed attached.
